

Greetings on the advent of the New Session : 2017-18

Dear Parents,

On behalf of Shiv Jyoti Educational Group, I feel honoured to welcome you for the new academic session (2017-18).

Every new day brings with it, new hopes, aspirations and confidence to start off the day. Similarly, a new session also brings with it a new hope of starting with great enthusiasm and zeal to begin the year afresh.

Education can be linked to a great big canvas. This year I would like our students to throw as much paint as they can on the canvas of education of the school, that will take action and help the students to achieve academic, sporting, cultural as well as life-long learning.

Simultaneously, we are concerned with inculcating creative skills, moral values and abilities in our students. We have also focused on nurturing the talents of all our students, since inception of the school.

This year we have a plethora of activities for the children and we are looking forward to a productive partnership with you to ensure and achieve child's highest potential. We will also work together for setting and reaching attainable goals, working smartly and taking our students' achievements to the next level of "PERFECTION".

Best wishes for the upcoming session!

Regards

Dr. Aalekha Kaplash
