

## Greetings on the advent of the New Session : 2017-18

I am excited and honoured to welcome dear students and parents to the new academic session 2017-18.

The last session ended on a high note with the successful showcasing of our magnum opus and we plan to commence the new session on a high note too. We have a plethora of new academic activities and competition for the children. This year also the school year will be a year of setting and reaching attainable goals, working harder and smarter and taking our school and student achievement to the next level of greatness. We are dedicated to a student centered program that promotes academic excellence through an enriched, rigorous inter disciplinary curriculum.

This year also we look forward to a highly intensive and challenging academic program that will push our students to work beyond the limits. We strive to prepare the students for the demands of the real world so that they become productive citizens, become our future leaders and contribute something positive to the community.

I look forward for another session of academic heights with valued support of all our dear students and parents and express my heart felt gratitude for being a part of Shiv Jyoti Convent School, where **"SUCCESS IS NOT AN OPTION.....BUT AN EXPECTATION"**

Warm Regards

*Dr. Aalekha Kaplash*

Academic Director
